

Creative Women of Pinnacle Peak— November 2007 Newsletter

November, 2007

Hello Creative Women,

It seems impossible that we are approaching the holiday season again. But what a wonderful time of year as we look forward to sharing good times with family and friends. As we near this exciting time of year, we must remember our commitment to helping those less fortunate. Keep in mind our drive to 'build beds' for women and children at Homeward Bound during the next two months. I hope we bring so many items to the November luncheon that Nancy Mavrides will have to rent a U-Haul to deliver them all! (See Pg. 9 for more info)

Last month's orientation of new members was a huge success thanks to the coordinated efforts of Viki Brown, Marsha Gershberg, Caroline Phillips and Michal Joyner. Once again, Welcome New Members!

Polly Reed and Patti Acridge are still hard at work as December 1st and the Rhinestone Cowboy Ball is fast approaching. They, along with their committees, have devoted themselves to bringing us a fantastic evening. If you have not made your reservations, please invite family and friends and get the RSVP cards in the mail now. We need the entire membership's support to make this event more successful than ever. I also encourage our professional women to purchase ads in the Rhinestone Cowboy Ball Program.

I hope everyone at last month's luncheon had a chance to enjoy the scrapbooks from past years. I would like to thank Jann Loerch and Christine Spitler, last year's Historians, for putting together an absolutely beautiful scrapbook for 2007. In case you did not get a chance to see it, I will bring it to the next meeting.

Remember that our luncheon is early this month due to Thanksgiving week conflict. I am looking forward to seeing everyone November 14th at The Westin Kierland Resort.

See you all at our early November Meeting.

Sincerely, Jackie Cromett

President, Jackie Cromett

We Remember Pappas-By Kathy Kaplan

As most of you are aware the Thomas J. Pappas School will close its doors at the end of the school year, and for many of our members this is the end of a long and loving association with the school and its children...but don't despair just take a few minutes to remember...

Remember...that prior to 1998 we had already donated over \$200,000.00 to the school, and that as of 2005 they had received over \$630,000.00. These funds supported the clothing room, nurse's office, reading programs, purchased educational software & computers, enriched the students lives with music, and provided transportation in two buses.

Remember...to give credit to our past and present Boards and membership for their dedication, compassion and hard work; all of which ensured that the children of Pappas had a richer education and a healthier, happier childhood
Remember.... Bette Sullivan aloft in a cherry picker

placing a star on the holiday tree

Remember...the school's yearly holiday party where CWPP elves...Sonny Shlachter, Renee Kreigel, Michal Joyner, Joanie Burchmore, Barbara Rundbaken, Jennifer Marchant & Gail Neid to name a few helped Santa to spread good cheer, and the gentle voices of the "Pappas Kids" singing at our December luncheons

Remember...Sandy Mills and the well loved "Toy Room" and joyful monthly birthday celebrations

Remember...Gerry Wolf and the hundreds of children she cared for in the clothing room

Remember...the mentors Annie Rice, Jeri Westphal, Andrea Keck, Belinda Bergman, and the tutors Rita Spizzirri, Leigh Voorhees, Dori Erlich, Nancy Manseth, Cindy Roeder, Marita Gallagher and so many more who gave of their time and expertise

Remember...how good it felt when a child finally read... when their eyes danced in their heads as they

received those war coats and sneakers...when you first realized that you felt good about helping these kids...and above all else

Remember...that we made a difference... remember the smiles...the smudged faces... the laughter...and the small hands that you held... because they remember you!

So take a moment to look back and then turn to the future...and remember that there are children who need our help, love, guidance and financial support at Homeward Bound, Foundation for Blind Children, Maggie's Place, Sojourner Center, The Family School to name a few, and that new memories are waiting to be made simply by reaching out and volunteering

New Member Spotlight! Meet Lisa Woodside! By Marsha Gershberg

Lisa and her husband came to Arizona from Seattle two years ago. After retirement, they hoped to create a more balanced life. Lisa became a Certified Financial Planner, and her husband, Paul, is studying for his CFP so that he can work with her. Their hope is to work part-time and spend quality time together giving back to the community. She has lived in Chicago, Cleveland, Dallas, Atlanta, Seattle, Delray Beach and Charlotte prior to moving to Arizona. No wonder she wants to settle down!

Lisa loves to snow ski, play golf and travel. She also loves music and feels our beautiful mountains bring her peace. She's looking forward to being an active participant in CWPP.

November's Guest Speaker: Sheriff Joe Arpaio By Joanie Burchmore

You probably know him as "America's Toughest Sheriff," a name given to him years ago by the media. It's a name he certainly has earned as head of the nation's third largest Sheriff's office which employs over 3,000 people. But even before he became Sheriff in 1993, Joe Arpaio was one tough lawman. After serving in the U.S. Army and as a Washington D.C. and Las Vegas police officer, Arpaio went on to build a federal law enforcement career and a reputation for fighting crime and drug trafficking around the world. This should be a very interesting program!

November Luncheon Location!

The November luncheon is at the Westin Kierland Commons. The entrance is about 1 mile west of Scottsdale Road on Greenway-Hayden Parkway. There is a huge parking lot, and there is also valet parking available. If you don't intend to valet, allow enough time to walk from the parking lot.

A final word from the Newsletter Editor! By Michal Joyner

Well ladies, this will mark our first Internet Newsletter. I promise they won't all be this large or I'll need to find a new husband! This month we just had lots of news to get out to the group. The benefits of going to the Internet are that we can now incorporate photos of the group without having to worry about the size of the document. Photos add substantially more size than text. I think it's more fun to see photos, don't you? Work with me as we all learn the transition to our website. I'm having to learn new software as well as how to edit the photos for size, so I'm sure there will be numerous mistakes along the line. I hope you enjoy the journey! Have a Happy Thanksgiving.
